Enriching lives, making memories on the shores of Lake Joe since 1961

CNIB's Lake Joseph Centre ("Lake Joe") is a fully accessible lakefront facility in the heart of Muskoka that offers a unique blend of recreation and skills development in a safe, inclusive environment. At Lake Joe, people living with sight loss and their families can enjoy the same summer pursuits as other Canadians: canoeing, kayaking, waterskiing, swimming, sailing and fishing – as well as the skills training, confidence building, and support offered by a community that understands living with sight loss. We rely on gifts from generous individuals like you to help us bring the magic of summer camp to life for people living with sight loss.

Thank you for your ongoing support,
CNIB Lake Joseph Centre Team

Your gift will change what it is to be blind today.

Sponsor a Camper

Most of the people living with sight loss who could greatly benefit from Lake Joe are unable to afford to come. Thanks to the generosity of caring individuals like you, CNIB operates a bursary program to cover the costs. Our goal is to offer this life-changing experience to as many individuals as possible. Whether you sponsor an adult, child/youth or family, your support will bring the magic of summer camp to life for people living with sight loss.
