# Bring the magic of camp to life for people living with sight loss

Life is beautiful at CNIB Lake Joe. For people who are blind, have low vision or are Deafblind, it's a home-away-from-home. Each year people save their pennies and travel from across the country - and around the world - to enjoy an incredible camp experience that is safe, fun and fully accessible. The only camp of its kind in Canada, CNIB Lake Joe enriches lives, makes memories and builds independence!

**"Thank you CNIB Lake Joe for giving my son and family a place to relax, learn, play and make unforgettable memories!"**

# **Level the playing field: invest in programs and property**

It's important to play! CNIB Lake Joe's camp programs and facilities foster active and healthy lifestyles and give opportunities for guests to connect with others. With appropriate adaptations, training and supports, guests are encouraged to create their own adventures at camp. "Kids of all ages" learn and laugh, inform and inspire, and enjoy the chance to rest, recharge and enjoy countless recreation opportunities.

**"I feel like I belong. I am so grateful to be able to share and experience CNIB Lake Joe. It's my happy place!"**

# consider a campership gift

Coming to CNIB Lake Joe is lifechanging for people with sight loss and their families!

Many of our guests save year-round to come to this one-of-a-kind location and enjoy programs that are designed specifically for their needs.

A gift of \$2,500 will remove financial obstacles and make it possible for a camper to enjoy all aspects of camp (registration fees and travel costs).

**"I learned that blindness wasn't the end of my story. I've tried activities I never dreamed I could do. Most of all, I have made lifelong friendships."**
